CHAIRMAN'S REPORT

Tena koutou Tukapa whanau, It is my privilege to present the Chairperson's Report for the 2025 season. As always, this report is not just about rugby — it's about people, connection, and community.

The heartbeat of Tukapa has always been our people, and this year has reminded us once again how strong, caring, and united our club truly is.

At Tukapa, our motto "**One Club**" is more than just words — it's a way of life. It's how we treat each other, how we play the game, and how we support those around us. This year, that spirit has shone through in every corner of the club.

IN MEMORY OF DANIEL NGANEKO

This year was marked by a deeply tragic event that affected not only our club but the wider Taranaki community. The loss of **Daniel Nganeko**, a long-standing and valued member of our Tukapa whanau, was felt profoundly across every corner of the club.

Daniel was a passionate supporter, a proud Chook, and someone who gave his time and heart freely to others. Just weeks before his passing, he captured that now-famous photo of our Colts celebrating their championship win on the deck at Sanders Park — a moment that perfectly reflected the joy, pride, and unity that he loved about Tukapa.

As a club, we continue to stand firmly beside the Nganeko whanau. We also add our voice to the growing call for change around "**One Punch**" legislation, believing that more must be done to prevent such senseless loss of life. No family or community should have to endure what the Nganekos have faced.

Daniel's memory will always remain a part of our **One Club** story — a reminder of how precious our people are, how quickly lives can change, and how important it is that we continue to care for one another both on and off the field.

JUNIOR RUGBY — THE FUTURE OF TUKAPA

One of the real highlights of 2025 has been the continued growth of our junior rugby programme. This season saw **over 230 kids proudly wearing the blue and white**, one of our strongest showings in years.

The creation of the Tukapa Junior Committee has been a game changer, providing structure, energy, and a dedicated focus on our youngest Chooks. From the moment the kids run out onto the field, they are surrounded by support, learning, and fun — everything junior rugby should be about.

We also introduced the **Junior Chook of the Year Award**, which celebrates players who demonstrate our values: respect, teamwork, perseverance, and fair play. It's about character over talent and has quickly become one of the most meaningful parts of our season. And of course, no junior Saturday is complete without our famous **sav in bread tradition**. More than 250 savs went out each weekend — shared among players, families, and visitors. It's a small act that carries a big message: Tukapa is about belonging, and that's what our **One Club** culture is built on.

SENIOR RUGBY — STRENGTH IN EVERY GRADE

Our senior teams once again flew the blue and white flag with pride. From the **Premiers**, who played quality rugby in front of big home crowds, to the **Colts**, who lifted the championship, and the **Tukapa Toa Women**, who continue to blaze new trails — every team represented our club with pride and passion.

The **Colts' title win** was a huge moment for the club. Their success is built not only on skill but on unity and culture — a reflection of the work being done across all grades to strengthen the Tukapa pathway. The photo Daniel captured of them celebrating on the deck has become symbolic of what this club stands for — mateship, pride, and a deep love for the jersey.

The **Tukapa Toa Women** continue to grow both in strength and confidence. Their journey over the last two seasons has been nothing short of inspiring — from early heavy defeats to competing fiercely and earning respect across the province. Under strong leadership from Rosie Moffitt and the team's coaches, the Toa have set the standard for what can be achieved with commitment and belief.

Every one of these teams, from our juniors through to seniors, shows what One Club really means — playing for each other, wearing the same crest, and sharing the same pride.

EVENTS, CULTURE, AND THE TUKAPA WAY

Rugby is the core of what we do, but it's the people and the occasions that make Tukapa special. Our 2025 calendar was packed with memorable events that captured the spirit of the club:

- **Ladies Day** once again filled the Ford tent with colour, laughter, and community.

- **Collective First National Day** celebrated our naming-rights sponsor, highlighting their continued commitment to our club.
- **Finals Day Breakfast** brought the club together before heading out to support our teams — a true family occasion.
- And our **Prizegiving**, themed “Golf Pros & Tennis Hoes,” proved again that no one celebrates the season quite like the Chooks!

We're already looking forward to upcoming highlights including the **Club of Origin Tournament** (Saturday 4 October at NPOB), **Club 7s** (Saturday 1 November), and the **Christmas Party** (Saturday 6 December).

Each event is an opportunity to celebrate who we are — a club that plays hard, supports one another, and enjoys the good times together. That's the Tukapa way. That's **One Club**.

GOVERNANCE AND DEVELOPMENT

Behind the scenes, we've continued to build a strong foundation for the future. The Junior Committee has given structure and voice to our youngest members, while the senior committee has focused on governance, facilities, and long-term planning.

We've maintained ongoing discussions with **TRFU** regarding player development, competitions, and the Club Rugby Development Officer programme. Tukapa's feedback has been constructive and honest — we want to see that programme reach more kids and make an even greater impact across the province.

At Sanders Park, ongoing maintenance and compliance work have ensured our facilities remain among the best in the region. The addition of new equipment, fresh paint, and attention to detail keeps the place looking sharp and operating smoothly. It's all part of our commitment to ensuring Tukapa remains the heart of rugby in New

Plymouth — and a true **One Club** home for generations to come.

SPONSORSHIP AND VOLUNTEERS

To our sponsors — **thank you**. Your continued support makes it possible for hundreds of players to represent Tukapa every weekend. From major partners like **Collective First National** through to small local businesses, your backing means everything.

To our volunteers, you are the heartbeat of this club. Whether you're behind the bar, marking fields, running the BBQ, washing jerseys, or managing a team — you make the Tukapa engine run. Our success as a club is a reflection of your effort and loyalty.

You live our motto every day — **One Club, One Family, One Purpose**.

ONE CLUB, ONE FAMILY

The phrase **“One Club”** has never meant more than it does today. We've seen how deeply this club cares for its people — in celebration, in challenge, and in grief. From our youngest juniors to our life members, Tukapa is a home, a safe space, and a family.

Moments like the loss of Daniel remind us that what we have here is far greater than sport. It's connection, love, and belonging — and that's what we must continue to protect and nurture as **One Club**.

LOOKING AHEAD

As we look toward 2026, our goals remain clear:

- Continue building participation across all grades, especially in junior and women's rugby.
- Support our coaches and managers with resources, mentorship, and recognition.
- Strengthen partnerships with TRFU and community

organisations.

- Keep Sanders Park a place we're proud to call home.
- And most importantly, continue to live by the Tukapa values and uphold our **One Club** spirit.

CLOSING

To every player, coach, manager, volunteer, life member, supporter, and sponsor — thank you. You are what makes this club special.

Tukapa is more than just a rugby club — it's a community, a legacy, and a family. Together, we honour our past, celebrate our present, and build our future as One Club.

Finally, on behalf of the committee, I want to reaffirm Tukapa's ongoing support for safer communities and the call for change to One Punch legislation. We stand united with the Nganeko whanau and all those affected by violence, and we will continue to champion respect, compassion, and care — both on and off the field.

Nga mihi nui,
Scott Sifleet
Chairperson

Tukapa Rugby & Sports Club

PREMIER TEAM REPORT

The 2025 season was another memorable year for our Premier side, full of hard work, commitment, and plenty of highlights on and off the field.

While the final result wasn't the one we had hoped for, the season as a whole was a success and a true reflection of the effort of players, coaches, and the wider club community.

First and foremost, thank you to **Scotty, our Chairman, and his wife Tash** for their ongoing contribution of time, energy, and support. Their commitment sets the tone for the rest of the club.

A special mention must also go to:

- **The Colts**, who once again claimed back-to-back championships.

- **The Toa**, our women's side, who in only their second year have made extraordinary progress since last season.

For the Premier side, it felt a little like Groundhog Day, with another semi-final exit at the hands of a strong Stratford outfit. However, there were plenty of positives to take away:

- More wins than losses across the season.
- Retaining the **Dan O'Brien Trophy**.
- Strong new introductions to the team, who made both immediate and lasting impacts.
 - From Renz's literal impact against Coastal to Zebby's more subtle contribution of lightening the mood with his fascination for "what a Luke Dravitski is."

These additions, along with the established core, helped foster a close-knit and competitive group.

On-field results only tell part of the story. Our season was underpinned by countless efforts that aren't always visible:

- **Thursday nights** – where veterans like Weasel, Drav, Jollands, and Mellow consistently turned up, ensuring the team spirit remained strong (while "checking the fridge in Ashes" still worked late into the night).
- **Scott Mellow's pre-season training** – sending in suspiciously impressive 12km runs at quad-bike pace.
- **Head Coach Scott** – averaging 8,000 steps in an 80-minute game, and much more outside of it, putting in enormous work to keep the squad together and moving forward.

This success isn't possible without the wider support network:

- **Families** – wives, partners, mums, dads, and children of our players for their patience and support.
- **Josh Andrews and Hire It Hire** – for keeping us kitted out in blue and whites.
- **The Committee and Volunteers** – for their tireless work behind the scenes.
- **Team Managers and Coaches across all grades** – for their collaboration and effort.
- **Paul in the Kitchen** – for the best feed in club rugby.
- **Physios Adam and Connor** – for strapping 14 players in under an hour week in, week out.
- **Blowers** – whose enormous contribution often goes unseen, whether wrangling rugby balls or assisting with the McKenna bourbons (ably supported by the Porteous and Sifflett families).
- **Cole** – who we warmly welcomed this season. Coles season highlights must be setting the boys up against a professional Argentinian side.
- **Scott** – from all the players, thank you for your effort, your family's support, and the wealth of professional experience you've shared.

The Prems remain a special group – players who come from different backgrounds yet connect strongly on and off the field. With the talent, unity, and drive within the squad, there's every reason to believe they can go all the way next year.

Congratulations to all prize winners across the grades, and to everyone who played a role in making this season a success.

Up the Chooks.

DIV 1 TEAM REPORT

Firstly, I wish to acknowledge the dedication and commitment from the board, committee, and volunteers who consistently contribute their efforts behind the scenes each year.

As we reflect on this past season for the mighty Bs, there were moments that tested our resilience. With player numbers often stretched thin and injuries constantly reshuffling our lineup, each game felt like an uphill battle. We had players stepping up out of position, others playing through knocks, and a few returning early from injury just to help get a team on the field.

Despite these challenges, there were notable achievements. We secured victories against Coastal both home and away, and we won against Spotswood at home to retain the Dan O'Brien shield.

It's easy to stay motivated when you're winning, but true team character reveals itself when things get tough. This

season reminded us that rugby is more than just a game; it's about friendship, resilience, and pride in wearing the jersey. Every member of the team played a crucial role in keeping our squad united and moving forward. While the results may not have gone our way every week, we sure made up for it off the field.

Here's to healing up, rebuilding, and coming back stronger next season. Because if we can keep this heart alive, the results will come.

Up the Chooks!

DIV 2 TEAM REPORT

The 2025 season was another proud chapter for the Tukapa Senior Thirds, a team built on loyalty, camaraderie, and a deep love of rugby.

Under the leadership of captain **Simon Holdt**, the side showed resilience and determination throughout the year. Supported by stalwarts such as Johnno Glennie and Mikey Corrigan, the Thirds fielded a team that embodied the Tukapa values of effort, enjoyment, and togetherness.

Players such as **Zane Zinsli**, whose work rate never faltered, and **Jack Fleming**, who continues to show his skill and experience, provided consistency and flair on the field. The team's forward pack was anchored by men like **Johnny Walker**, a calming and inspiring presence, and **Mack**, whose relentless energy gave the side an edge in every contest.

The squad also benefited from the contributions of Marty Campbell, who epitomised courage and toughness, and Liam Brown, a versatile player whose all-round ability was invaluable. James Asi brought physicality and passion, while mid-season addition Dan O'Keeffe quickly found his place and strengthened the team's performance.

Out wide, **Mudflap and Jimmy** added pace and excitement, while off the field their humour and spirit lifted the group. At the heart of it all was **Rae**, whose commitment and presence were essential to the culture and success of the Thirds. His ongoing leadership and support are deeply appreciated.

The Senior Thirds are more than a team – they are a brotherhood. This season once again proved that their bond extends well beyond the white lines, carried by the support of families, friends, and loyal Tukapa supporters who cheer them on every week.

Looking ahead, the Senior Thirds are determined to build on the past season, return stronger, and continue to be a vital part of the Tukapa family. With the pride of representing the Chooks and the unity of their group, the future looks promising.

One Club. One Family. One Tukapa.

COLTS TEAM REPORT

A season complete and in a lot of ways it very much mirrored last year.

As a group we added Anthony Day to the coaching staff joining returning coaches Jarrod Werder and Daniel Sinclair.

Early in the season we struggled for numbers, and it was a week-to-week challenge to get a team on the park.

Co-Captains Fletcher and Harry ran the cutter all year round and led the team with constant 80-minute efforts. They were ably supported by returning players, several new to club players, and returning university players who also bolstered our team.

The season ebbed and flowed and we experienced a couple of tight losses, to Coastal and Inglewood. We also had some excellent wins along the way against Inglewood, Southern, Stratford-Eltham, Southern, and Okiawa.

As we entered the business end of the season we finished third on the table and earned the right to play Inglewood in an away semi-final, a repeat of the previous years final. A huge crowd was in attendance, and it was a typical semi-final match where the margins were slim and the game could have gone either way, but in the wash up we got up for a 12-10 win.

The final was a shot at redemption for our lads against the Coastal Colts, who had beaten us twice in the regular this season, once by 2 points and once by 5 points.

Playing on Stadium Taranaki on a perfect day for footy proved to be an inspiration for the team and we dominated the 80 minutes with an intensity and effort across the park that was rewarded with a complete performance and a 32-22 win, a score which was only reduced by a late Coastal try.

For a number of the team, they got to experience being back-to-back champions, and for many others they got to enjoy the thrill of winning the big dance!

A season done, another to celebrate with the Tukapa family!

We also want to recognise Grem, Malachi, Harry, and Will for getting minutes with the Prems this year, and, Cooper James, and Malachi for being selected for the Taranaki Under 19's team.

Lastly we want to thank our main sponsors, Motion Plumbing and Gas & our wider Tukapa Club for all the support that has been provided, we greatly appreciate everything that you do for our Colts team.

UP THE CHOOKS!

Trent Theodore
Colts Manager

TOA TEAM REPORT

In 2025 the Tukapa TOA showed up to play! Season #2 the team kicked preseason off winning their first game EVER and saw them make a play for the grand final.

With continued support from the Club we regrouped for another season ready to build and lift on all the hard work put in last season. The Allstar coaching crew of Plims and Jase returned and with a strong player leadership team paved the way for a season to remember.

The season rolled out with back to back away games down South Taranaki against Patea and Okaiawa but the TOA were rewarded early with back to back wins and spirits were high. We returned to home ground and faced a strong Inglewood side and the start of a season long battle for top team. Inglewood came out firing and left our ladies with plenty of work ons and some fire in their bellies.

Team Captains Charlotte Webby and Atalya Fakavamoeanga led the team with strength, determination and a lot of pizazz that you will only find in

womans rugby. The TOA worked hard through the cold and wet evenings at training with eyes on a home semi final.

The final game of round 2 and fighting for a home semi final the TOA jumped on to a bus and headed down south to battle it out in extreme winter weather conditions. The TOA showed up wanting it and played a hard fought game against Southern only to see it slip through their fingers for a 15-15 draw in the final minutes. There was disappointment in the air, losing the home ground advantage, but the TOA brushed it off and enjoyed a night out as a team with a grandma dress up theme.

Semi final day and the nerves were jittering – same team, same bus trip going back into battle with Southern for a spot in the grand final. Southern knew the TOA were hunting for the win and played strong defence and the TOA struggled to find space and opportunities to score. With the TOA down 15-10 in the second half of the game the team lights up the field with a team try starting with quick hands by Portia Huffman who sends it wide to Rocki Robinson, she runs strong and hard with a smart offload to Rosie Moffit who finished the try under the goal posts and kicked the conversion for a 15-17 win and a ticket to the finals.

TOA were set to face Inglewood in the finals a team that had been strong all season and whilst we fought hard they had been unbeatable. The TOA put their best foot forward and played with everything they had they came up short in the end with Inglewood finishing as champions.

Representative highlights of the season also included Rosie Moffit being named in the NZ U18 North Team (high performance pathways) and Molly Tipene being named in the NZ U18 Maori Camp.

We had 15 of our players named in the Taranaki Whio wider squad with Grace Brough, Cathy Butler, Phoenix Fraser, Portia Huffman, Rosie Moffitt, Natale-Ann Haupapa, Rocki Robinson, Danielle Smith and Charlotte Webby making the final selection.

And not forgetting our TOA babies with Mere Raniu making Taranaki U16 selection and Tamsin Eden making Taranaki U18 selection.

We are so proud of what the TOA has achieved this season from starting as a new team only a season ago.

**The team is amped for the 2026 Season ...
3rd time is a charm.**

CLUB CAPTAIN'S REPORT

As we reflect on the 2025 season, it's clear that this has been a year that tested us but also reminded us why community matters.

What has remained constant, though, is that Tukapa is built on connection, commitment, and a shared sense of belonging. Across all grades, new and returning players represented the blue and white hoops with pride. Game days were full, the clubrooms were alive, and our identity as one of the great community clubs in Taranaki remains strong.

Tukapa is not just a place to play rugby. It is a community where friendships are formed and people gather to spend their time off. Players, coaches, managers, volunteers, supporters, and sponsors all contribute to the fabric of our club. This spirit was visible every week, on and off the field.

This season also brought a moment of deep sadness. In July, we were shaken by the tragic loss of Daniel Nganeko. It was a time that tested us all. Yet, what shone through in the days and weeks that followed was the strength of our community. Our club, and the wider Taranaki rugby family, rallied around the Nganeko whanau and that spoke to the heart of who we are.

To Pete, Chizzy and Christine - Daniel will always be part of Tukapa, and the club will always be here for you.

On-Field Performances

The major highlight of our season was the Colts going back to back and defending their championship. Winning one title is hard enough, but doing it again says everything about the standards within the group and the depth of young talent coming through the club. Surely, there is only one thing better than back to back championships, and that's the three-peat. The challenge is set for next year.

The Tukapa Toa continued to build strongly from last season, earning their place in the final. Their development, cohesion and growing confidence throughout the campaign have been fantastic to watch. The Toa are now firmly part of the heartbeat of the club

The establishment of the Junior Committee has seen continued development and 17 teams entered this year with over 220 kids running around on Saturday morning. Its clear with the support of Sponsors and the committee our clubs future is in good hands.

Work Behind the Scenes

A huge thank you must be extended to our coaches, managers, committee, volunteers, supporters, sponsors and board, and especially to Scotty. The effort that goes into running this club is significant and mostly unseen. Game days run because of you. Our players improve because of you. And we all have a team to support because of that hard work.

Looking Ahead

With the platform we have, the talent across our squads and the foundations already laid, we are well placed for the season ahead. As always, the club rugby landscape will continue to evolve, but our approach remains the same: work hard and stay connected. We will continue to develop our 5 year plan as a priority, exploring new and exciting ways to evolve the club and our offering, while staying true to who we are

He Ha Tukapa.

JUNIOR RUGBY REPORT

2025 – Another awesome year of junior rugby at the Chook House.

Tukapa again saw around 220 children registered, making up 17 teams across every grade except Ferdie 8.

A major and invaluable change this year was the creation of a **Junior Rugby Committee**. This proved hugely beneficial, with the many hidden duties of organising junior rugby shared among capable hands: Darryn Jones, Hannah Glennie, Kendra Holdt, Janelle Oakes-Butler, myself, and Chairman Scott Siffleet, whose knowledge of every little detail of Tukapa was a massive asset.

Our junior rugby would not be possible without the **generous parents** who step up (or are “volunteered”) to take on the stressful, time-consuming, hair-greying and incredibly rewarding roles of coach and manager. These volunteers are the biggest contributors to the experience of our young players, helping shape not only the future of Tukapa rugby but also rugby in Taranaki and potentially even New Zealand.

This year began a little differently, with TRFU hosting **two sessions at Stadium Taranaki**. Each included a crash course for coaches with Kyle McLean, creator of The Coaching Gig, followed by a skills session with the teams and a mini tournament. Many of our younger

players got the thrill of playing on the main field, a truly joyful experience!

We also created unforgettable memories by providing all our junior players with the full **Taranaki Bulls/Whio experience** on the Number One field under lights, as Tukapa took over Stadium Taranaki before our Colts played Stratford. It was an awesome night, with blue and white jerseys scattered across the field and the noise of excited kids echoing throughout. On top of this, several of our junior teams were lucky enough to play curtain-raisers for both the Bulls and Whio throughout their seasons.

A huge thank you must also go to the **field set-up crew**, Tom Fastier and Jack De Luca, for making sense of my field size explanations and helping ensure everything was ready week after week. And to **Carole Reid**, who kept everyone fuelled with sals and tirelessly cleaned up every Saturday, your efforts don’t go unnoticed and are truly appreciated.

I would also like to congratulate the following players on their **representative achievements**:

- Manawa Neho and Carlos Hape – Conrad Smith North
- Alex Hackling and Noah Korau – Conrad Smith West
- Keoni Vesseur – Ross Brown North

To all our players heading off to school teams next year, I wish you the very best and look forward to welcoming you back to Tukapa in the future.

Looking ahead, we’re excited to keep building on this momentum in 2026. With the continued support of our dedicated volunteers, parents and the wider Tukapa community, junior rugby at the Chook House will only get stronger. A special thank you also goes to our sponsors and supporters, your generosity ensures every child has the chance to enjoy the game, grow their skills, and create lifelong memories. Here’s to another year of rugby, friendships, and flying the blue and white with pride!

TREASURER'S REPORT TO AGM

HELLO AND WELCOME TO THE TREASURER'S REPORT FOR THE 2025 SEASON.

As always, I'd like to begin my report by first thanking all our sponsors and grant providers for the financial support they have provided the club over the year. As I say every year this club would not be able to operate the way it does without their backing and we look forward to their continued support in the 2026 season.

Next, I'd like to acknowledge the volunteers of the club. It takes a lot of time and effort to run a club like this and for the club to function as it does we rely heavily on volunteers giving up their time for the club, so thank you to all the volunteers!

Finally, a thank you as always to the members of the club. Whether you are supporting us through bar sales, raffles, memberships, etc, it all adds up.

Now onto the financial performance of the club – let's start with the bar sales. After 2 years of record sales we have seen takings over the bar drop \$11k this year compared to last year, a decrease of roughly 7%. Despite this 2025 has still ended up being the 2nd highest on record.

Looking at the other income streams for the year most are like-for-like when comparing to last year, however we ended up seeing a large increase in the amount of grant funding we were able to tap into. Massive shoutout to Jan for the great work she does sourcing and securing these grants. Last year we received \$60k in grant funding (\$38k going towards operational costs, and \$22k going towards capital costs). This year we received \$81.5k grant funding, all of which went towards operational costs. For those interested here is a quick breakdown of most of the grants we received: \$9k for new jerseys, \$13k for travel (including the Poneke trip), \$5k for first aid supplies, \$40k for the roof repair work, and \$11k for new rugby balls. As you can see this level of grant funding is significant and contributes massively to the way the club is able to operate.

Looking now at the expenses the club incurred over the year – like everyone else we saw increased costs for insurance and power. Great news however – Jan has sourced a new grant which we recently received for the 2026 season which covers almost all of our insurance! Not only that, as we used to have to finance our annual insurance bill we'll also save on around \$1k of interest.

Looking further down the page of expenses no doubt you'll notice repairs and maintenance increased significantly this year – up to \$55k. \$41k of this relates to the roofing work that took place, and \$7k relates to painting that was done to the exterior walls. A massive thank you to Dimond Roofing who provided the new roof materials at no cost to the club!

Lastly on the expenses it's worth noting the drop in water rates costs the club has had to pay this year compared to last. This was thanks to a fixed leak; we were paying ~\$1.5k per quarter, now we're down at

~\$150/quarter.

Quickly touching on the Balance Sheet you'll see the TSB cheque account was looking a lot healthier at the end of this year compared to last year, which is great news. You'll see our TSB Savings account balance was \$nil; this was simply because we had no unspent grant funding at the end of August, as shown by no 'Grants Received' sitting in the Current Liabilities section (these 'Grants Received' represent unspent grants at the end of the financial year).

Overall the club is in a great position heading into the 2026 season.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2025

1. STATEMENT OF ACCOUNTING POLICIES

These are the financial statements of Tukapa Rugby and Sports Club Incorporated. Tukapa Rugby and Sports Club Incorporated is an Incorporated Society established under the Incorporated Societies Act 1908

Basis of Preparation

These financial statements are Special Purpose Financial Reports that comply with the tax reporting requirements established by Inland Revenue. They are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

Historical Cost

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis have been used, with the exception of certain items for which specific accounting policies have been identified.

Property, Plant, Equipment and Depreciation

Property, plant and equipment are included at cost less

aggregate depreciation provided at the maximum rates allowed by the Inland Revenue Department. Property, plant and equipment that are leased under a specified lease for the purposes of the Income Tax Legislation are capitalised and depreciated. The depreciation rates used are shown in the Schedule of Property, Plant and Equipment.

Valuation of Inventories

Inventories are valued at the lower of cost and net realisable value. Cost has been assigned to inventory items on hand at balance date using the first-in first-out basis.

Taxation

The Incorporated Society is exempt from income tax under section CW 46 of the Income Tax Act 2007.

Accounts Receivable

Accounts receivable are stated at their estimated realisable value.

Goods and Services Tax

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Grants

Grant income is recognised when received and all associated obligations have been met. Where grants have been given for a specific purpose, or with conditions attached, income is not recognised until agreed upon services and conditions have been satisfied. Grants received for which the requirements and services have not been met are treated as under current liabilities on the Balance Sheet. Revenue is only recognised once the underpinning grant conditions have been satisfied.

Changes in Accounting Policies

There has been no significant change in accounting policies. All policies have been applied on bases consistent with those used in previous years.

2. PROPERTY, PLANT AND EQUIPMENT

COMPILATION REPORT

TUKAPA RUGBY AND SPORTS CLUB INCORPORATED FOR THE YEAR ENDED 31 AUGUST 2025

Compilation Report to the Trustees of Tukapa Rugby and Sports Club Incorporated

Scope

On the basis of information provided and in accordance with Service Engagement Standard 2 Compilation of Financial Information, we have compiled the financial statements of Tukapa Rugby and Sports Club Incorporated for the year ended 31 August 2025.

Responsibilities

You are solely responsible for the information contained in the financial statements and have determined that the accounting policies employed are appropriate to meet your needs and to the purpose for which the financial statements were prepared.

The financial statements were prepared exclusively for your benefit. We do not accept responsibility to any other person for the contents of the financial statements.

ANNUAL REPORT 2025 SEASON

No Audit or Review Engagement Undertaken

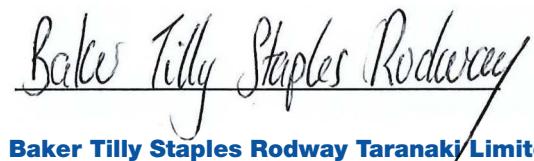

Our procedures use accounting expertise to undertake the compilation of the financial statements from information you provided. Our procedures do not include verification or validation procedures. No audit or review engagement has been performed and accordingly no assurance is expressed.

Disclaimer of Liability

We have compiled these financial statements based on information provided which has not been subject to an audit or review engagement. Neither Baker Tilly Staples Rodway Taranaki Limited nor any of its employees accept any responsibility for the reliability, accuracy or completeness of the compiled financial information contained in the financial statements nor do we accept any liability of any kind whatsoever, including liability by reason of negligence, to any person for losses incurred as a result of placing reliance on these financial statements.

Departure from Reporting Framework

The accounting policies adopted are not in conformity with generally accepted accounting practice. Accordingly the financial statements should only be relied on for the expressly stated purpose.

REVIEWER'S REPORT

TO THE READERS OF THE FINANCIAL STATEMENTS OF THE TUKAPA RUGBY AND SPORTS CLUB INC.

Report on the Financial Statements.

I have reviewed the accompanying Financial Statements of the Tukapa Rugby and Sports Club Inc. which comprises the Statement of Financial Position as at 31 August 2025 and the Statements of Financial Performance and associated Notes to the Accounts.

Management's Responsibility for the Financial Statements. Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with the International Financial Reporting Standard for Small and Medium Sized Entities and for such internal control as management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud and error.

Reviewer's Responsibilities

My responsibility is to express a conclusion on the accompanying Financial Statements. I conducted my review in accordance with International Standards which require me to conclude whether anything has come to my attention that causes me to believe that the Financial Statements taken as a whole are not prepared, in material respects, in accordance with the applicable

financial reporting framework. The Standards also require me to comply with relevant ethical requirements.

A review of Financial Statements in accordance with the International Standards is a limited assurance engagement. I perform procedures primarily consisting of making inquiries of management and others within the entity as appropriate and applying analytical procedures and evaluations of the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards of Auditing. Accordingly, I do not express an audit opinion on these Financial Statements.

Conclusion.

Based on my review, nothing has come to my attention that causes me to believe that these Financial Statements do not fairly represent, in all material respects, the Financial Position of Tukapa Rugby and Sports Club Inc. as at 31 August 2025, and its financial performance and cash flows for the year ended, in accordance with the International Financial Reporting Standard for Small and Medium Sized Entities.

My review was completed on 5 November 2025, and my unqualified opinion is expressed as at that date.

Reviewer David Waite CA
Address 29 Somerset St New Plymouth
