SPONSORSHIP OPPORTUNITY

HELP US MAKE A BIGGER SPLASH FOR TUKAPA

Tukapa Rugby & Sports Club is excited to bring you Rhythm & Fish 2026 — a new fishing, music and community event designed to bring people together while raising funds for the future development of the Tukapa Rugby Clubrooms. This event is about more than fishing. It is about creating a great weekend for our community and continuing to develop a club facility that is used year-round by rugby, bowls, fishing groups, families, businesses, community organisations and a wide range of local events.

WE ARE LOOKING FOR SPONSORS TO HELP FILL THE PRIZE TABLE

We are ideally looking for businesses to support the event through:

- Prizes or products for the prize table
- Cash sponsorship towards prizes
- Vouchers, equipment or services
- Any other contribution you feel would suit the event

We also have some of our suppliers getting behind the event by offering significant discounts across their product ranges, meaning cash sponsorship can go even further and allow us to turn your contribution into a bigger prize pool for our competitors.

WHAT YOU GET IN RETURN

As a Rhythm & Fish 2026 sponsor, your business will receive exposure including:

- Featured on the Rhythm & Fish event social media page
- Your logo displayed on the large screen outside during the weigh-in and competitor briefing
- Your logo displayed across the screens inside the Tukapa Clubhouse
- Your business acknowledged during the competitor briefing
- Your business mentioned throughout prizegiving where appropriate
- Opportunities to be included in event photos and social media content
- But most importantly, you get to be part of something bigger.

GRASSROOTS RUGBY. COMMUNITY. FUTURE.

Tukapa is a club that isn't afraid to put in the hard yards. We are continually looking at ways to raise funds and develop our facilities so that the clubrooms can continue to be a valuable asset for our members and the wider community for many years to come. Every sponsor, whether it is a \$100 prize, a product donation or a larger cash contribution, helps us move another step forward.

Your support helps us keep the Tukapa Clubrooms available for the community and continue offering a place where people can come together, play sport, celebrate, hold events and enjoy being part of something local.

WANT TO GET INVOLVED?

If you are keen to help us make Rhythm & Fish 2026 a success, please get in touch with:

Scott Siffleet

Chairperson – Tukapa Rugby & Sports Club

Scott@lifestylebuilding.co.nz 021 317 331

Or speak to one of the legends of our volunteer team who has shoulder-tapped you about getting involved!

All sponsorship contributions will be invoiced as advertising, with a full GST invoice provided.

EVERY SPONSOR HELPS. EVERY CONTRIBUTION COUNTS.

RHYTHM & FISH 2026

Fish Hard. Fish Fair. Fish Safe. Then Back to the Chookhouse.
